

2019 STEM Mini Grant

NFCPTA would like to support individual K-12 teachers or PTA members with the resources for original innovative Science, Technology, Engineering, and Math (STEM) projects. Funding should be used to purchase supplies relevant to the project.

This year two grants of up to \$200 will be awarded to two teachers, from any school that is in good standing with the NFCPTA (up to date with membership reporting, dues etc.). **The deadline for applying for this grant is March 29, 2019** and the awards will be announced during the Principals and Presidents luncheon. **Awards must be expended within a year.**

Please complete the following application, scan and email to environment@nfcpta.com

NFCPTA 2019 STEM Mini Grant Application

Name of School _____

Applicant's Name: _____

Applicant's Position (PTA, Principal, Teacher): _____

Email Address: _____ Phone: _____

Project Title: _____

In a separate document please describe detail information about proposed use of the potential grant funds. In your description make sure to include a description of your innovative STEM project or idea. Who would be involved in the project. What is the connection to STEM. What type of materials would you like to purchase with the money? What impact do you believe your project will have in your students?

I agree that if selected to receive the grant, we will use the funds toward a STEM project no later than May 2020.

Applicant's Signature: _____ Date: _____
