

## 2019 Recycling Mini Grant

NFCPTA promotes environmental stewardship in our public schools. Most schools have worked hard to establish recycling programs to reduce the amount of waste going to the Georgia landfills. We believe that a school-recycling program is a hands-on, interdisciplinary lesson that educates students about the environment, personal responsibility, community action, and solid waste management. School recycling programs not only impact students and their families but also impact communities and the overall waste diversion in a community. Therefore, we would like to help relieve some of the cost of your program.

This year one grant of up to \$300 will be awarded to a school in good standing with the NFCPTA (up to date with membership reporting, dues etc.). **The deadline for applying for this grant is March 29, 2019** and the award will be announced during the Principals and Presidents luncheon. **Awards must be expended within a year.**

**Please complete the following application, scan and email to [Environment@nfcpta.com](mailto:Environment@nfcpta.com)**  
**For questions e-mail: [Environment@nfcpta.com](mailto:Environment@nfcpta.com)**

### NFCPTA 2019 Recycling Mini Grant Application

Name of School \_\_\_\_\_

Applicant's Name: \_\_\_\_\_

Applicant's Position (PTA, Principal, Teacher): \_\_\_\_\_

Email Address: \_\_\_\_\_ Phone: \_\_\_\_\_

Planning for your school-recycling program must include the custodial staff, students, teachers, parents, school administrators and a representative of a local community recycling program or Keep America Beautiful representative to ensure the success and sustainability of your program. Student organizations, such as the National Honor Society, Beta Club, Builders Club, 4-H Club, or environmental/ecology clubs are often successful at maintaining school recycling efforts.

In a separate document please describe the School's Recycling program (include who is involved or responsible for administering the program, how many years you have been recycling, who has been picking up your recyclables, how you promote the program and why you need funding.)

I agree that if selected to receive the grant, we will use the funds towards the cost of continuing or starting a recycling program no later than May 2020.

Applicant's Signature: \_\_\_\_\_ Date: \_\_\_\_\_
